COMMITTEE FOR PLURALISM IN PHILOSOPHY announces its second annual meeting at the A.P.A. Convention, Sheraton Center, N.Y.C., December 28th, 5:15-7:15 p.m., Versailles Terrace Room. Nine philosophers have agreed to speak on the question, "What would be a pluralistic association of philosophers?" Their comments will be followed by discussion from the floor. The stated purpose of the Committee for Pluralism is: "To work for an A.P.A. which is more representative of the diversity of philosophical activity in the U.S.; to help the A.P.A. achieve its own stated purpose 'to promote the exchange of ideas among philosophers,' and to assure that its self-description is unqualifiedly true: 'The A.P.A. (is) the only organization of philosophers . . . which does not serve a particular interest . . .'; to encourage members of the A.P.A. to participate fully in its activities, e.g., to submit papers for the official program written from many points of view, and to attend the business meetings of the Association."

For specific information on the program write to: Charles Sherover, Hunter College, SUNY.

OFFICIAL CALL FOR PAPERS, SYMPOSIA AND WORKSHOP TOPICS for the 1980 SPEP Meeting. Papers and possible topics should be submitted to Calvin O. Schrag or William L. McBride, Purdue University, no later than December 15, 1979. The Executive Committee draws up the program for the following year at the APA Eastern Division meetings in December. Those submitting papers may submit a detailed abstract, but full papers are preferred.
