SOCIETY FOR PHENOMENOLOGY AND EXISTENTIAL PHILOSOPHY

The Twenty-fifth Anniversary Meeting

October 16-18, 1986

Sessions of the Society will be held at Victoria College: the older building (VC), in Northrop Frye Hall (NF), and in Emmanuel College (EM).

Registration and the Book Exhibit will be located in the Main Lobby and Alumni Hall of the Victoria College older building.

REGISTRATION:

All persons attending the conference are requested to Register. Anyone interested in continental philosophy and in its relations to literary theory, sociology, psychology, and political theory (as well as the human sciences in general) is invited to attend and to join the Society. Registration includes payment of membership dues. Regular members pay \$15. U.S./\$22.00 CANADIAN; Student members pay \$5.00 U.S./\$7.00 CANADIAN. The dues year begins September 1st, 1986.

When registering, please fill out both sides of the dues form. Additional information is requested this year so as to provide the Co-Directors with more data when planning future meetings. This form was prepared by the Committee on the Status of Women in SPEP. It is included to encourage and enhance participation by women in the Society.

SPECIAL NOTE TO ALL PROGRAM PARTICIPANTS:

Time allocations for paper presentations should be strictly observed. A code for the number of minutes allotted for each symposium, panel, workshop, or single paper is given in brackets at the head of each period (whether plenary or concurrent). This code indicates the amount of time reserved for each presentation in the order of presentation. Thus "Concurrent Papers (30 min/10 min)" means that the Speaker has 30 minutes and the Commentator 10 minutes. Moderators should observe time limitations and be especially careful to conclude the sessions on time.

PUBLICATION NOTICE TO 1986 PROGRAM PARTICIPANTS:

All papers presented at the SPEP annual meetings shall be made available to the Executive Co-Directors for first consideration. Papers presented at the Anniversary Conference this year will be reviewed for possible inclusion in a single volume published by SUNY Press and edited by Professors Silverman and Welton. The volume will be entitled *The Future of Continental Philosophy*. Symposium, panel, workshop and single papers should be submitted to the SPEP Co-Directors in duplicate within a month following the conference (no later than December 1st, 1986).

Local Arrangements:

The Society is particularly grateful to Professors Henry Pietersma and Graeme Nicholson, both of the University of Toronto who have gone to great efforts to prepare a welcome and hospitable setting for our Anniversary Meeting. The Directors express hereby their heartfelt appreciation for all the work that Professors Pietersma and Nicholson have put into the planning of the conference.

Thanks are also due to the following for their sponsorship of the conference: The Social Sciences and Humanities Research Council of Canada, the Vice-Provost, the Dean of the School of Graduate Studies, and the Dean of Arts and Sciences of the University of Toronto, and the President of Victoria University.

CALL FOR PAPERS — 1987 SPEP MEETINGS

Submissions are invited for the Twenty sixth annual SPEP meetings to be held at the University of Notre Dame (South Bend, Indiana, USA) on October 15-17, 1987. Papers, proposals for symposia, panels or workshops, and suggestions for the annual meeting should be sent in **duplicate** to the SPEP Executive Office, Department of Philosophy, SUNY at Stony Brook, Stony Brook, New York 11794-3750. Items submitted will be reviewed for possible inclusion on the program by the Co-Directors and the Executive Committee. **Deadline for submissions for the 1987 meetings is December 1st, 1986.**

MINUTES OF THE 1985 SPEP BUSINESS MEETING:

The following items were decided during the 1985 Society for Phenomenology and Existential Philosophy Business Meeting:

1. The invitation from Vanderbilt University to hold the 1988 SPEP Annual Meetings on their campus was approved by the membership. The membership was reminded that it had already accepted the invitation of the University of Notre Dame to hold the 1987 Meetings in South Bend.
2. The recommendation by the Committee on the Status of Women in SPEP that there be a form with information data for women in the Society was amended to include all members. The Co-Directors agreed to include such a form in a future mailing and to develop a mechanism for compiling such information for use in planning future programs.
3. The outgoing member of the Executive Committee, Professor Joseph J. Kockelmans was thanked for his faithful service during the past three years.
4. Professor Graeme Nicholson was elected to the Executive Committee for a term of three years.
5. It was reported that the Executive Committee had made a commitment to nominate and present for approval a man and a woman as the new Co-Directors. Their three-year terms would begin following the 1986 anniversary meetings in Toronto.
6. It was reported that the Society is healthy and the number of members is growing. The membership was reminded that the Executive Office maintains a mailing list which publishers may purchase for one-time distribution of catalogues, announcements, and other information of potential interest to members.
7. Professor Werner Marx was congratulated for his achievements and for the recognition of his philosophical writings.
