PLENARY SESSION

The Saturated Phenomenon

Moderator: Thomas R. Flynn, Emory University

Minutes of the 1992 Business Meeting

The Business Meeting was called to order at 5:50 pm, October 9, 1992 by Lenore Langsdorf.

1. The minutes of the 1991 meeting at Memphis were approved.
2. David Crownfield was appointed Parliamentarian.
3. The Society expressed its gratitude to George Psathas and Klaus Brinkman of Boston University, and to David Rasmussen of Boston College, for their work on local arrangements; and to Boston College and Boston University, for their financial support of this meeting.
4. Linda Alcoff, on behalf of the Committee on the Status of Women, commended SPEP for the quality and quantity of panels devoted to feminist theory. She also reported that Sandra Bartky is rotating off the committee. Margaret Simons (Southern Illinois University at Edwardsville) was nominated by the Committee and elected by the members present to fill that position.
5. Co-Director Lenore Langsdorf presented the following statistical information: Approximately 500 people are attending this meeting. The Executive Committee received 168 papers for consideration; of those, 97 were single paper submissions. The Committee accepted a total of 96 papers (from both the single papers and panel submissions). This represents a 58% acceptance rate. Sixty-one submissions came from women and 107 from men. Eighty-one women and 125 men are participating in the program this year.
6. Co-director Lenore Langsdorf reported that about \$15,000 is in the treasury.
7. The Executive Committee and the members present thanked Stephen Watson for three years of service as Co-Director and John D. Caputo for three years of service on the Committee.

8. Merold Westphal explained the SPEP constitutional requirement that the Executive Committee act as the nominating committee for the at-large and co-director positions to be filled. He presented the Executive Committee's nomination of Bernard Flynn (SUNY/Empire State College) and Gayle Ormiston (Kent State University) for the at-large position. The voting (by paper ballot) resulted in the election of Bernard Flynn. Both candidates were thanked for graciously accepting the nomination. John D. Caputo was nominated by the Executive Committee to succeed Stephen Watson as Co-Director. No nominations were offered from the floor, and he was elected by acclamation.

9. The members discussed the Society's right of first review policy on papers accepted for the conference. It was suggested that the time it takes to accept, edit, and publish papers may present a hardship for junior colleagues. Currently, revised papers must be submitted by December 15 and notification is scheduled for February 15. Volume 18 is in press, volume 19 is in preparation, and volume 20 will include essays from both the 1991 and 1992 conferences. The volumes are now arranged thematically.

A motion was made to continue the right of first review policy. David Crownfield offered an amendment: If a paper is accepted for delayed publication (for a volume that will include papers from the conference after the one in which the author participated) then the author should be given the option of withdrawing his/her paper. The amendment was defeated, and the original motion was passed. The Co-Directors noted their readiness to write letters to tenure committees, as needed, to explain that papers accepted for the SPEP volumes have been reviewed twice.

Lester Embree suggested the Society increase annual dues by \$15.00 and use that money to send copies of the volumes to the membership. Discussion did not eventuate in a motion.

10. Lenore Langsdorf noted that correspondence should continue to be directed to her at the Speech Communication Department, Southern Illinois University, Carbondale IL 62901, until the October 1993 meeting.

11. The floor was opened to new business and announcements.

- A) John D. Caputo thanked Marya Bower (Notre Dame University) for her three years of service as the Graduate Assistant for SPEP.
- B) Lenore Langsdorf introduced the current SPEP Graduate Assistants, Andrew Gallinger (Villanova University) and Mariangela Maguire (Southern Illinois University at Carbondale).
- C) Leonard Lawlor announced the Spindel conference in October, 1993.
- D) David Crownfield reminded the Executive Committee that the cost of attending SPEP can be discouraging, especially to junior faculty, and asked that thought be given to means of containing those costs.
- E) Lawrence Hass announced the Merleau-Ponty conference in September, 1993.

12. The meeting was adjourned at 6:40 pm.

PROPOSED AMENDMENT TO THE CONSTITUTION

(for discussion at the 1993 SPEP Business Meeting)

Whereas the present size and scope of operations of the Society have grown considerably, so that the creation of a Secretary-Treasurer position would greatly assist the Executive Committee in its duties; and since such a change involves an amendment to the Constitution; be it resolved that:

- [1] Article III.1, shall be amended to include: "c) a Secretary-Treasurer";
- [2] The paragraph following Article III.1 shall be amended as follows:
sentence 1: substitute "six" for "five";
add new sentence 4 after present sentence 3: "The term of the Secretary-Treasurer shall be three years, and no one may serve more than two consecutive terms."
present sentence 4: replace end of sentence after "Co-Director" with:
", Secretary-Treasurer, and at-large positions."
present sentence 5: replace end of sentence after "Co-Director" with:
"and for the Secretary-Treasurer position."
